### **\*\*\*PRESS RELEASE OCT 2017\*\*\***

Our new Management has implemented the following changes:

- All guest rooms and common rooms fully renovated and refreshed with new tiles, bathrooms fixtures, lighting, windows (pool view AC only), furniture and more.
- New renovated deluxe rooms and suites complete with flatscreen HD TV's and Netflix addition!
- Roof and ceiling raised in the upstairs rooms of A/B block to allow for more comfortable space in bathrooms.
- Mosquito screens added for S block and A/B block to allow for fresh air (without insects).
- All common rooms renovated including the seminar room, fitness room, private massage rooms, ozone and session rooms.
- Seminar room has new tiles, sofas, lighting, new AC and also a new larger TV for enjoying evening documentaries and health talks.
- The large pool was fitted with new a liner for better pH regulation.
- New upgraded Total Transformation program! Includes online health consultation with a qualified naturopathic health practitioner to discuss any health conditions, diet and also your personalised health goals, a free welcome kit containing a selection of natural and chemical free personal care products and three healthy meals & 2 drinks on Day 1 of post detox (includes probiotic rich Sauerkraut & Kombucha)
- New detox programs added: burn-out anti-stress and liver detox program.
- Salt water plunge pool next to the steam room now fully operational. Very refreshing after the steam room.
- Afternoon meditation classes 4-5 days a week with highly experienced instructors.
- Guest relations manager on duty to assist with any queries or questions.
- More guest activities including weekly island tour and night markets.
